Training Course:
ISO 37301 Compliance Management System

15 - 19 February 2027
Amsterdam (Netherlands)

Training Course:
ISO 37301 Compliance Management System

Training Course code: MA235378 From: 15 - 19 February 2027 Venue: Amsterdam (Netherlands) - Training Course Fees: 5775 Euro

Introduction

Welcome to the ISO 37301 Compliance Management System training program. In today's complex business environment, organizations face numerous legal, regulatory, and ethical obligations. Compliance with these requirements is not only essential for maintaining legal standing but also for fostering trust and integrity among stakeholders. ISO 37301 provides a systematic approach to managing compliance, helping organizations to identify, assess, and address their legal and regulatory obligations effectively.

Objectives

- Gain a comprehensive understanding of ISO 37301 Compliance Management System, its purpose, and benefits.
- Learn the key principles and requirements outlined in the standard.
- Explore practical strategies for planning, implementing, and maintaining a compliance management system.
- Understand the importance of continual improvement and performance evaluation in compliance management.
- Acquire the skills and knowledge necessary to contribute to the successful implementation of ISO 37301 within your organization.

Target Audience

This training program is designed for professionals involved in compliance management, including:

- Compliance officers
- Legal and regulatory affairs personnel
- Risk management professionals
- Quality assurance managers
- Internal auditors
- Anyone responsible for ensuring organizational compliance with legal, regulatory, and ethical requirements.
