Training Course code: LS235247 From: 5 - 9 May 2024 Venue: Dubai (UAE) - Residence Inn by Marriott Sheikh Zayed Road, Dubai Training Course Fees: 4500 € Euro

Introduction

Welcome to the "Evidence-Based Management, Leadership, and Smart Decision-Making" Training Program designed by Global Horizon Training Center! In today's dynamic and complex business environment, the ability to make informed decisions backed by evidence is crucial for organizational success. This comprehensive 5-day program is designed to equip leaders, managers, and decision-makers with the knowledge and skills necessary to integrate evidence-based practices into their leadership approach while emphasizing the art of making smart decisions.

Objectives

- **Understand EBM Principles:**
 - Gain a solid understanding of the principles of Evidence-Based Management EBM and its application in organizational decision-making processes.
- **Leadership in a Data-Driven World:**
 - Explore the role of leaders in promoting evidence-based practices and learn how to align organizational goals with data-driven decision-making.
- **Master Analytical Tools and Techniques:**
 - Acquire practical skills in statistical analysis and data visualization tools to enhance decision-making processes.
- **Risk Management Strategies:**
 - Understand the principles of risk management and develop strategies to make informed decisions under conditions of uncertainty.
- **Implement Evidence-Based Leadership:**
 - Develop a personalized action plan to integrate evidence-based leadership principles into your organizational strategy.
- **Smart Decision-Making:**
 - Learn the art of making smart decisions by combining intuition, experience, and evidence-based insights.
- **Case Studies and Practical Application:**
 - Analyze real-world case studies and engage in hands-on activities to apply the concepts learned

throughout the program.
