Training Course: Mastering the Skills of Sales Partnership Management

Training Course code: SM234967 From: 25 - 29 November 2024 Venue: Madrid (Spain) - Pestana CR7 Gran Vía Training Course Fees: 5250 € Euro

Introduction

In today's highly competitive business environment, building and maintaining successful partnerships is essential for organizations looking to drive revenue growth and achieve their strategic objectives. As a result, this training program was designed to focus on the skills needed in identifying, developing, managing, and growing partnerships with other organizations. However, developing and maintaining effective partnerships requires a complex set of skills and techniques, including strategic thinking, sales and business development, negotiation and contract management, communication and presentation, relationship-building and networking, and teamwork and collaboration. Therefore, this training program is designed to equip the participants with the knowledge, skills, and techniques necessary to build and maintain successful partnerships that drive revenue growth and promote the overall success of the organization.

Objectives

- To equip the Sales Partnership Team with the knowledge, skills, and techniques necessary to identify, develop, manage, and grow partnerships that drive revenue growth
- To improve the Sales Partnership Team's communication, negotiation, and contract management skills
- To enhance the Sales Partnership Team's ability to build and maintain successful partnerships
- To promote effective teamwork and collaboration within the Sales Partnership Team and with other teams within the organization

Competencies

- Strategic thinking and planning
- Sales and business development skills
- Negotiation and contract management skills
- Communication and presentation skills
- Relationship-building and networking skills
- Performance management and goal-setting skills
- Teamwork and collaboration skills

Target Audience

- The Sales Partnership Team, including business development managers, partnership managers, and account managers responsible for managing and growing partnerships

Methodologies

- Lectures and presentations by subject matter experts
- Group discussions and brainstorming sessions
- Hands-on activities and simulations to apply skills learned in the training program
- Role-playing exercises to practice sales and negotiation skills
- Case studies to analyze real-life situations and learn best practices
