Liverpool (UK)*

Training Course: Customer Focused Management

Training Course code: MA1141 From: 20 - 24 May 2024 Venue: Liverpool (UK) - Training Course Fees: 5250 € Euro

Introduction

A customer-focused organization is grounded in the belief that long-term success depends on a commitment to customer satisfaction throughout the entire organization. This program focuses on what it takes to build the culture, the processes, and the relationships that will lead to long-term growth and financial sustainability.

Leaders are role models in planning, communication, coaching, and employee recognition. Their efforts result in increased employee loyalty, greater innovation, and improved customer satisfaction. The course covers customer service management responsibilities, from the most fundamental tasks of hiring, training, coaching, and team building to quality assurance and leadership skills. This challenging and highly participative program will focus on creating and managing effective teams, dealing with difficult customers, understanding behavioral styles, and proven leadership strategies.

- Analyze and implement the best practices of top-performing customer service providers
- Utilize best practices for measuring and monitoring customer satisfaction
- Streamline call center operations for optimal service levels
- Successfully utilize interpersonal skills to supervise and motivate employees
- Empower, motivate and retain frontline personnel

Course Objectives of Customer Focused Management

- Describe the importance of the leader as a role model for customer service excellence
- Establish the importance of setting and reviewing customer service standards
- Describe techniques to motivate teams and individuals for peak performance
- Develop effective communication strategies to promote team building
- Evaluate surveys to accurately monitor customer satisfaction
- Design a realistic and challenging customer service employee training program

Course Methodology of Customer Focused Management

This dynamic, 5-day seminar is highly interactive and encourages delegate participation through a combination of group discussion, role-play exercises, videos, case studies, and breakout sessions. This seminar will include benchmarking best practices to model world-class customer service excellence. The comprehensive course manual has been designed to be practical, easy to use, and facilitate learning. Delegates will walk away from this seminar with the skills, confidence, and motivation they need to develop a world-class, customer-centric organization.

Organizational Impact of Customer Focused Management

- A more productive and streamlined customer service operation
- Focused and motivated customer service leadership
- Increased customer retention and revenue growth
- Reduced personnel turnover and increased teamwork

- Improved Intra/interdepartmental communication
- Increased communication abilities and interpersonal skills

Personal Impact of Customer Focused Management

- Improved management performance by learning techniques to empower, motivate and retain customer service personnel
- Enhanced leadership and communication skills required for career advancement
- Increased confidence in their abilities to work professionally with difficult or upset customers
- The insight to adjust their own temperament style to become more versatile, adaptable and highly successful
- Up to date techniques and methods to help them provide world-class service
- Improved time management skills and increased productivity
