Training Course: Marketing Research Skills

Training Course code: SM234969 From: 29 April - 3 May 2024 Venue: Kuala Lumpur (Malaysia) - Royale Chulan Kuala Lumpur Training Course Fees: 4950 € Euro

Introduction

Marketing research is an essential part of any successful marketing strategy. It involves the systematic gathering, recording, and analyzing of data about customers, competitors, and market trends. This training program is designed to provide participants with the skills and knowledge they need to conduct effective marketing research that can inform business decisions and improve marketing outcomes.

Objectives

Upon completion of this training program, participants will be able to:

- Understand the purpose and benefits of marketing research
- Identify the different types of marketing research techniques and tools
- Plan and execute a marketing research project
- Analyze and interpret marketing research data
- Use marketing research insights to inform marketing strategies and tactics

Target Audience

This training program is designed for marketing professionals, market researchers, business owners, and anyone who wants to learn how to conduct effective marketing research. It is suitable for individuals at all levels of marketing experience, from entry-level to experienced professionals.
