

Training Course: Community-Based Planning

2 - 6 December 2024 Madrid (Spain) Pestana CR7 Gran Vía

Training Course: Community-Based Planning

Training Course code: RR235069 From: 2 - 6 December 2024 Venue: Madrid (Spain) - Pestana CR7 Gran Vía Training Course Fees: 5250 🛘 Euro

Introduction:

This training program, developed by Global Horizon, aims to equip participants with the skills and knowledge needed to effectively plan and implement community-based development projects. Community-based planning involves engaging and involving community members in the planning and decision-making process to ensure that projects are responsive to their needs and priorities. Through this training program, participants will learn the key principles, tools, and techniques for effective community-based planning.

Objectives:

- To provide participants with an understanding of the principles and concepts of community-based planning
- To equip participants with the skills and knowledge needed to effectively engage and involve community members in the planning process
- To enable participants to develop community-based plans that are responsive to the needs and priorities of the community
- To provide participants with the tools and techniques needed to effectively implement community-based plans
- To enable participants to effectively monitor and evaluate community-based plans to ensure their success and sustainability.

Target Audience:

This training program is designed for community development practitioners, project managers, and anyone involved in community-based development projects. It is also suitable for government officials and NGOs working with communities to implement development projects.
