Conference: Effective Time, Task & Work Planning

Conference code: CO8189 From: 6 - 10 May 2024 Venue: London (UK) - Landmark Office Space - Oxford Street
Conference Fees: 5775 £ Euro

Introduction

With the accelerating change of the twenty-first century, time management skills are at the top of the personal development tool kit. Know where you're going? What do you want from work and life? Concerned how time slips through your fingers and another day, week, month, a year goes by without achieving all you wanted?

This seminar will help you assess your present situation, in terms of work and personal life. It will enable you to manage yourself more effectively within your own time constraints and show you how to better organize and prioritize your work/life tasks.

Conference Objectives of Effective Time, Task & Work Planning

By attending this seminar you will learn how to:

- Explain why managing time really matters to our work and health, in our changing world
- Identify tasks that should be completed in relation to their key objectives, be managed away.
- Analyze situations that hinder their performance and identify techniques to overcome them.
- Use simple frameworks for planning, including allocating and managing priorities, scheduling work, working proactively and reactively and project planning.
- Set, monitor and measure the success of objectives.
- Analyze your own strengths and development needs and prepare a personal development plan for the next twelve months.

Conference Delegates of Effective Time, Task & Work Planning

This seminar is designed for:

- Team Leaders / Supervisors
- Professionals
- Administration Executives
- Salespeople

Conference Process of Effective Time, Task & Work Planning

The seminar is based on a combination of interactive activities - group and individual exercises, case studies, role plays and discussions - along with formal inputs.

The environment will be a supportive one in which individuals with varying degrees of experience will be encouraged to share the approaches they currently use as well as try out new ones that they encounter on the course. The course Tutor will be on hand to answer any questions a delegate may have and to act as a facilitator for building and applying new approaches.

We aim for this to be an enjoyable as well as a learning experience and feel that the mix of style and learning

techniques will prove valuable to those that attend.

Conference Benefits of Effective Time, Task & Work Planning

Attendance at the program will result in individuals being exposed to a wide range of interpersonal and organizational techniques required to operate effectively in their roles. They will be able to identify and implement techniques to manage themselves more effectively under the constraints of today's busy lifestyles.

Delegates will be introduced to different techniques and approaches for operating effectively within the role. They will be coached on techniques that suit them as individuals and will have practiced such techniques with a view to applying them effectively in the workplace.
