## Training Course: Contracts Administration: From Award to Completion

Training Course code: PC4093 From: 24 - 28 June 2024 Venue: London (UK) - Landmark Office Space - Oxford Street  
Training Course Fees: 5250 € Euro

### Introduction

The objective of every organization is that the contracting process results in a fair and reasonable price for a high quality on time deliverable. To meet this objective, world-class organizations view the application of best practices in contract administration after the award as being essential skill sets needed by all employees involved in the contracting process. Included in this fast-paced program to show renewed emphasis on this critical phase of contract management is:

- Effective Contract Administration
- Interpretation of Contracts
- Maintaining Contract Schedules
- Controlling Contract Changes

### Course Objectives of Contracts Administration

- Be able to provide better outcomes from contracts
- Review Contract administration techniques
- Explore contract monitoring techniques
- Learn how to get fair treatment in contract changes
- Know how to analyze contracts
- Discuss contract termination issues
- How to Prepare for claims and disputes
- Review acceptance and Contract closeout issues
- Study the Inputs and outputs in contract administration

### TRAINING METHODOLOGY

Participants will increase competencies through a variety of instructional methods including a lecture by an experienced practitioner and consultant, exercises, and group discussions covering current practices and their relationship to the implementation of new concepts.

### Course Summary of Contracts Administration

With the ever-increasing quantity of outsourcing by organizations, Contract Administration is emerging as an essential competency for professionals and managers in most functional activities that are involved in the acquisition of goods, equipment and services. This programme is designed to take the participant through the many steps of contract administration from the time the award is made through to final acceptance, payment, and the contract closeout so that the total objectives of entering into the contract are achieved.
