## Training Course: Promote innovation and creativity

Training Course code: PS235030 From: 6 - 10 May 2024 Venue: London (UK) - Landmark Office Space - Oxford Street  
Training Course Fees: 5250 € Euro

### Introduction

Innovation and creativity are essential for the growth and success of any organization. As a manager, you play a critical role in promoting and fostering a culture of innovation and creativity within your team. This training program aims to provide managers with the necessary knowledge, tools, and techniques to create an environment that encourages innovative thinking and fosters creativity.

### Methodologies

The training program will utilize a combination of lectures, group discussions, case studies, and practical exercises to provide a comprehensive learning experience. Participants will also have the opportunity to engage in hands-on activities to develop their creativity and innovation skills.

### Target Audience

This training program is designed for managers who are interested in promoting innovation and creativity within their teams. The program is suitable for both experienced and new managers who want to learn how to create an environment that fosters innovation and creativity.

### Objectives

1. Understand the importance of innovation and creativity in the workplace.
2. Learn how to create a culture that promotes innovation and creativity.
3. Discover methods for generating new ideas and problem-solving.
4. Understand the role of leadership in promoting innovation and creativity.
5. Develop practical skills and techniques for encouraging innovation and creativity within your team.
