Training Course: How to Build your Organization's Knowledge

Training Course code: MA9200 From: 10 - 21 November 2024 Venue: Amman (Jordan) - Chemisty Training Course Fees: 5200 € Euro

Program Overview

In this program you will learn about...

Knowledge Management techniques and much misunderstood - some consider it to be just a documentation of your procedures!! Knowledge Management is Much More than that. As we head for a knowledge economy we need knowledge organizations - that build knowledge-bases for their departments or organization. This program shows you: What is your Organizations Knowledge and how you make systems to collect, communicate and Profit from it.

To ease implementation this program shows you the step-by-step methodology to collect your organizations knowledge and make it available for decision making.
