Training Course: Protocol & Event Management (Certified Event Specialist)

Training Course code: RR5010 From: 20 - 24 May 2024 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5250 € Euro

Introduction

This seminar is a must for any business aiming to include events as part of their Public Relations and Marketing activities. The face to face communication opportunities created by events provides business people with the most powerful opportunities to influence their colleagues, clients, and investors. Smooth well run events reflect well on any business building its reputation and standing. This seminar provides a comprehensive grounding in all the basics of event management allowing attendees to effectively organize their own events or more closely manage contractors organizing events for them.

Key highlights of the seminar are:

- What events can do for your PR and marketing strategy
- Scheduling techniques to plan and deliver an event
- Practical hints and tips on venue choice, stage management and different types of dining
- Managing the media at your events to multiply outcomes
- Advice on looking after guests and protocol for VIPs

Course Objectives of Protocol & Event Management

At the end of the seminar, delegates will have an understanding of the theoretical basis for the application of events as part of their PR or marketing strategy

- Delegates will be able to schedule and plan an event
- Delegates will be familiar with a range of events they are likely to engage in and the requirements for their successful delivery
- Delegates will be able to identify the most appropriate venues and activities for their events
- Delegates will be able to manage the media at their events with confidence
- Delegates will be able to troubleshoot event plans to identify potential problem areas before they emerge

Course Methodology of Protocol & Event Management

The training will be delivered through a combination of presentations, group discussions, and group exercises. Delegates will be encouraged to ask questions as the seminar progresses relevant to their own backgrounds and company requirements. The seminar will culminate in a group exercise in which delegates will have an opportunity to apply what has been discussed over the previous four days

Organizational Impact of Protocol & Event Management

- Greater value for money from events
- More focussed events as part of their PR or Marketing strategy which will build and maintain their reputation
- More memorable events aimed at the right people
- An in house resource capable of either organizing events directly
- Staff better informed to provide project oversight of event management suppliers

- Staff capable of ensuring tight budgetary and scheduling control over events

Personal Impact of Protocol & Event Management

- Increased confidence to tackle event management or oversight of event management suppliers
- A strong theoretical basis upon which to make decisions about the best type and format of the event to employ
- A greater understanding of the processes involved in event management
- An understanding of the main elements in event organization
- More focussed activity aided by simple checklists and manuals
- Better time management facilitating the opportunity for greater creativity
