Training Course: The 5 Day MBA in Successful Management for Business Achievement

Training Course code: MA1117 From: 12 - 16 August 2024 Venue: Casablanca (Morocco) - New Hotel Training Course
Fees: 4250 € Euro

Introduction

In today's highly competitive and challenging environment, it is critical to have a proper perspective on the direction in which your organization is heading. This 5 Day MBA will focus on issues and challenges faced and point you in the correct direction for the future.

The seminar is designed to stretch delegates in order to equip them with the knowledge and confidence to lead and manage in a fast-moving and complex business environment. The course is a unique distillation of the skills that you need to be successful in business delivered by people in the business.

The highlights of the seminar are as follows:

- Essential concepts of leadership theory that all managers need to know
- Finance, Financial Strategy, and Accounting for non-financial managers
- Marketing, Brand Development, and Market positioning - Understanding key marketing concepts
- Learn about group process and shared leadership
- Development of innovation
- Motivating the new generation of workers
- Your personal vision and vision statements for success

Course Objectives of Successful Management for Business Achievement

- To provide concise, comprehensive coverage of vital business topics, important concepts, and proven strategies taught as part of MBA programs
- To grasp the essential ingredients of:
 - Personal success
 - Management success
 - Business success
- To help non-business-trained professionals understand fundamental business principles
- To ensure that delegates are current with the future thinking in all aspects covered in this MBA Programme

Course Methodology of Successful Management for Business Achievement

There are detailed presentations supporting each of the topics together with interactive trainer lead sessions of discussion. Role-plays, case studies, DVD's, small group work, exercises and feedback will be used to facilitate learning.

The main principle on which the seminar has been built is the principle of experiential learning. Delegates will be given the opportunity to practice these skills using a series of exercises and case studies. Networking amongst attendees is encouraged to discuss mutual business issues

Organizational Impact of Successful Management for Business Achievement

- Giving attendees the knowledge to make them “intrapreneurs” within the organization
- To ensure that attendees within the organization are appraised of current business thinking and its application
- To make attendees aware of the need for creative and innovative thinking required in today’s organizations
- Provision of practical methodologies that can help improve results from all resources used in a business people, capital and products
- How to get the most out of all stakeholders in an organization
