

*Training Course:
Oracle HCM Cloud*

*20 - 24 May 2024
Liverpool (UK)*

Training Course: Oracle HCM Cloud

Training Course code: MA235035 From: 20 - 24 May 2024 Venue: Liverpool (UK) - Training Course Fees: 5250 £ Euro

Introduction:

Oracle HCM Cloud is a comprehensive suite of human capital management applications that helps organizations manage their workforce more effectively. It includes modules for core HR, payroll, talent management, workforce management, and more. This training program is designed to provide an overview of Oracle HCM Cloud and equip participants with the skills and knowledge to use the platform effectively.

Objectives:

- Understand the key features and benefits of Oracle HCM Cloud
- Learn how to navigate the platform and access different modules
- Gain proficiency in core HR functions, such as managing employee data and processing payroll
- Develop skills in talent management, including performance management, recruiting, and onboarding
- Learn how to use workforce management tools to schedule employees and manage time and attendance
- Understand best practices for configuring and customizing the platform to meet organizational needs

Target Audience:

This training program is suitable for HR professionals, managers, and administrators who will be using Oracle HCM Cloud in their roles. It is also relevant for IT professionals and system administrators who will be responsible for configuring and maintaining the platform.
