Recruiting*

*23 - 27 December 2024
Liverpool (UK)*

Training Course: Oracle Taleo Enterprise Cloud Service: Recruiting

Training Course code: MA235036 From: 23 - 27 December 2024 Venue: Liverpool (UK) - Training Course Fees: 5250 € Euro

Introduction:

Oracle Taleo Enterprise Cloud Service: Recruiting is a cloud-based software solution designed to simplify and streamline the recruitment process for organizations. It is a comprehensive solution that helps recruiters manage the entire recruitment cycle, from job requisition to onboarding. The solution offers a range of features, including applicant tracking, candidate management, and reporting, among others.

Objectives:

The training program aims to provide participants with an in-depth understanding of the Oracle Taleo Enterprise Cloud Service: Recruiting solution. By the end of the training program, participants will be able to:

- Understand the recruitment process and how the Oracle Taleo solution fits into it
- Navigate and use the Oracle Taleo interface effectively
- Create job requisitions and manage the candidate pipeline
- Use advanced features such as reporting and analytics to optimize the recruitment process
- Collaborate with team members and stakeholders using the Oracle Taleo solution

Target Audience:

The training program is suitable for HR professionals, recruiters, hiring managers, and anyone involved in the recruitment process who wants to learn how to use the Oracle Taleo Enterprise Cloud Service: Recruiting solution effectively.
