Introduction:

Welcome to "Empowering Excellence: Mastering Corporate Governance and Company Secretary Practices in the Banking Sector," a comprehensive training program designed by Global Horizon Training Center. This 10-day program has been specifically developed to provide bank directors with the knowledge and skills necessary to navigate the complex landscape of corporate governance and excel in their roles as company secretaries.

At Global Horizon Training Center, we understand the crucial importance of corporate governance in the banking sector. As regulatory requirements evolve, it becomes imperative for bank directors to stay abreast of the latest practices and frameworks that drive effective governance. This training program has been carefully crafted to equip participants with the essential tools and insights required to enhance corporate governance practices within their organizations.

Our team of expert trainers, who possess extensive experience in the banking industry and corporate governance, will guide you through a series of engaging sessions, case studies, and interactive exercises. By the end of this program, you will have a comprehensive understanding of the principles, best practices, and regulatory obligations that underpin corporate governance in the banking sector.

Throughout this training program, we will delve into the role and responsibilities of a company secretary, exploring their vital contribution to effective governance within banking institutions.
