Training Course: Regulatory Compliance for Central Bank's Digital Currencies (CBDC)

Training Course code: SC234989 From: 29 July - 2 August 2024 Venue: Bangkok (Thailand) - Training Course Fees: 6545
€ Euro

Introduction

This training program is designed to provide employees with an understanding of the regulatory requirements for the Central Bank's Digital Currencies CBDCs and how to ensure compliance with relevant laws and regulations. The program will cover the licensing, reporting, and compliance requirements specific to CBDCs.

Objectives

- Understand the regulatory landscape for CBDCs
- Understand the licensing requirements for CBDCs
- Understand the reporting requirements for CBDCs
- Understand the compliance requirements for AML and CTF regulations
- Understand the implications of non-compliance with regulatory requirements

Personal Benefits

By the end of this training program, participants will have a better understanding of the regulatory requirements for CBDCs and how to ensure compliance with relevant laws and regulations. They will also be equipped with the competencies needed to identify and assess regulatory risks, implement effective compliance policies and procedures, monitor and report compliance issues, and communicate effectively with stakeholders.

Competencies

- Knowledge of regulatory compliance requirements for CBDCs
- Ability to identify and assess regulatory risks
- Ability to implement effective compliance policies and procedures
- Ability to monitor and report compliance issues
- Ability to communicate effectively with stakeholders

Target Audience

- Employees involved in the design, development, and management of CBDCs
- Compliance officers and risk managers
- Legal and regulatory affairs personnel
