## Training Course: Effective People Skills

Training Course code: PS1079 From: 25 - 29 November 2024 Venue: London (UK) - Landmark Office Space  
- Oxford Street Training Course Fees: 5250 € Euro

### Introduction

All businesses in the current climate need a competitive edge. This can be gained through innovative and exciting products and services, or through effective and efficient world-class employees.

Top performing organizations are passionate about their most valuable resource - their staff. In order to maintain their high standards, a large proportion of their time and energy is spent on continuous professional development, not only of their employees but of their business.

This highly interactive 5-day Communication and Interpersonal Skills program investigates the tried and trusted management processes, procedures, and methodology used by many blue-chip companies. They use the tools to develop high levels of performance from their staff. This, in turn, ensures the future and reputation of their companies through innovative development, service, and evaluation. This course offers participants practical solutions to work-related issues.

During the workshop, you will explore a variety of behaviors, discuss leadership styles and learn how to get the most out of your staff by using state of the art techniques such as Neuro-Linguistic Programming NLP, Emotional Intelligence, and psychometric testing.

This course will give you the knowledge and understanding you need to move forward with enthusiasm and assurance. You will feel able to build a productive and cohesive unit, establishing strong working relationships with people at all levels. As you gain in experience and confidence, you will be recognized as an able and supportive supervisor and colleague.

### Course Objectives of Effective People Skills

- Develop skills and abilities which can be put to immediate use in the workplace
- Recognizing personal style and behavior preferences
- Build effective communication skills
- Develop strategies for creating a positive work environment
- Learn how to delegate and motivate
- Build and develop teams
- Recognize differing behavioral styles and learn to adapt to them in order to build lasting rapport
- Understand the key roles you have in encouraging and developing your staff
- Harness the power of personal motivation
- Give and receive feedback on performance and perception
- Massively improve your leadership skills

### Course Process of Effective People Skills

The seminar is carefully designed to address all styles of learning and to engage participants fully. Lectures and discussions are either preceded or followed by powerful individual or group exercises. These exercises provide opportunities for personal participation in real situations. This process makes training fun-filled, fast-paced,

challenging, and empowering. This seminar uses the cutting edge skills of Neuro-Linguistic Programming and Emotional Intelligence to open your mind to how people think.

## Course Benefits of Effective People Skills

- A greater understanding of behavioral motivation will decrease staff absences and turnover
- Motivated managers and supervisors will progress within your organization rather than with your competitors
- Improved two-way communication models
- Improved inter-team working
- Create and maintain a motivated, high-performance workforce
- A learning organization that can effectively manage the changes that the future requires
- Highly trained and motivated managers who will be able to raise performance standards and morale of their staff and colleagues
- A more confident and effective team of negotiators and presenters
- A crystal clear communication strategy within your organization
- A greater understanding of behaviors within the organization
- Innovative strategies for working with others within the organization and outside
- Lasting rapport with customers, ensuring they work with your organization rather than a competitor
- Communication of company targets and time restrained goals
