Training Course: Level 4 Award in Health & Safety in the Workplace

Training Course code: HE7003 From: 4 - 8 August 2024 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3575 € Euro

Introduction

The Chartered Institute of Environment Health CIEH provides certification of training programs. The CIEH Level 4 Award in Health and Safety in the Workplace qualification provides those in managerial and supervisory positions with appropriate knowledge and understanding of the issues involved. You will learn how to reduce costs and improve profits with effective safety management

Health and safety technology and procedures are very important aspects of health and safety management. However, on their own, these will not provide a continuous improvement in health and safety performance. It is necessary to have personnel with a sound understanding of the areas that can give rise to losses. The course covers all the basic areas of Safety in the Workplace such as Safety Management, Safety Culture, Workplace Equipment, Hazardous agents and Legislation.

Delegates attending the course will learn about:

- Safety Legislation
- Safety Management systems
- Safety Culture
- Hazardous agents
- Workplace equipment Hazards

Course Objectives of Level 4 Award in Health & Safety in the Workplace

- Be able to advise on aspects of the management of health and safety in the workplace
- Determine health and safety training requirements
- Identify areas where specific legal requirements apply
- Determine good health and safety practice
- Identify areas for improvement through a risk assessment approach

Course Process of Level 4 Award in Health & Safety in the Workplace

This is an intensive five-day seminar. It is an active program that requires group exercises and discussions with a mixture of speaker input to facilitated discussions and an emphasis on delegate involvement at all times. Optional but necessary to gain certification by CIEH is the passing of an exam on the 6th day.
