#### Introduction

One of the major keys to success in the business world is being able to apply <code>@discipline@</code> to your life and actions! This is the key to developing personal effectiveness and professional excellence.

As S. N. Bremer said, [Self-mastery is the greatest task to which man has ever set his hand. Self-development can be achieved only after we resolve to control ourselves, through the operation and control of our thoughts.

Aldus Huxley said,  $\[ \]$  There is only one corner of the universe you can be certain of improving, and that is your SELF! $\[ \]$ 

Whether you realize it or not, you carry within yourself, a mental blueprint and a picture of yourself. All of our actions, feelings, behavior, and even our abilities, are consistent with the self-image, we hold of ourselves. Your self-image is either your life handicap or your auto-pilot for success!

Denis Waitley, the well-known motivational speaker, and top performance trainer sum it all up when he says - Ultimately, what shapes our self-image, is not so much what happens to us, as what happens in us! Perhaps more than any other quality, healthy self-esteem, is the door to high achievement and happiness.
