Conference: Internal Communications Masterclass

Conference code: CO8087 From: 1 - 5 December 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Conference Fees: 3850 🛛 Euro

Introduction

Effective internal communications help colleagues to work to the best of their abilities and to develop their skills to ensure everyone is focused on achieving an organization s goals.

Organizations are only as good as their weakest link. Poor customer service could spoil the work of expensive advertising and marketing campaigns. Employees are also front line ambassadors for organizations and should be nurtured as a powerful tool for recommendations and referrals.

A good internal communications strategy promotes well being and productivity and makes people feel valued. Research shows that job satisfaction rather than financial reward is often a stronger motivation for loyalty.

This conference shows how to develop a dynamic corporate culture, how to manage change, and how to bring the best out of the people with whom you work.

Conference Objectives of Internal Communications Masterclass

Attendance to this unique conference will provide the delegates with a complete understanding of the link between leadership and organizational culture. They will have the skills to advise on how to implement change and how to properly communicate change strategies. They will have the knowledge to understand and affect workplace culture. They will have the tools to communicate a shared vision to colleagues for mutual benefit.

Upon completion of the program, participants will be able to:

- understand how workplace culture is developed, how to develop it and how to put a value on it
- understand the communication tools needed to create a Ican doI attitude among colleagues
- generate a universal willingness for the company or organization to succeed, especially by generating new ideas
- · provide better customer focus and service
- · develop tools and techniques for identifying resistance to change and managing it
