Training Course: The Complete Program of Documents & Record Control

Training Course code: IT234610 From: 8 - 12 September 2024 Venue: Amman (Jordan) - Chemistry Training Course Fees: 3575 € Euro

Introduction

Record management is an inevitable part of any growing business. Hospitals need to keep records of their patients, schools of their students, and police departments of the criminals. Examples are everywhere. The information must be stored safely, and easily accessed by authorized personnel when needed. How to store this data? How to retrieve it? When to destroy it? All of these questions will be covered by this course. It will also explain the system of the ISO 15489.

Course Objectives of Documents and Record Control

- Understanding the ISO 15489 standards
- Implementing the process of document and records management
- Retrieving documents when needed
- Understanding the documents and records lifecycle
- Authorizing certain personnel to access the documents
