Introduction

This course helps those people who are organizing and planning an event. The impact of a successful event on a company can be profound. The impact of a poorly organized event is so negative that it pulls resources away from real work in order to deal with the aftermath. This course provides a synthesis of all planning, execution, and post-event analysis. Such an event may be a benefit, arts, and design industry event, entertainment event, trade show, or an event in the fields of hospitality, marketing, and advertising, or sports.
