Training Course: ISO-14001 Environmental Management Systems

Training Course code: MA9247 From: 14 - 25 October 2024 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 8400 € Euro

Program Overview

In this program you will learn about...

This program covers the implementation requirements, checklists and environmental auditing covering the entire scope of the ISO-14001 Standard in the most practical applicable way...

It covers the Specified requirements for an environmental management system, to enable an organization to formulate a policy and objectives taking into account legislative requirements and information about significant environmental impacts. It applies to those environmental aspects, which the organization can control and over which it can be expected to have an influence.

This program will also show you how to establish environmentally friendly credentials for your organization.

This program is applicable to any organization that wishes to...

- implement, maintain and improve an environmental management system;
- assure itself of its conformance with its stated environmental policy;
- demonstrate such conformance to others;
- seek certification/registration of its environmental management system by an external organization;
- make a self-determination and self-declaration of conformance with this International Standard.

And, Including analysis and auditing of...

- the environmental policy of the organization
- the nature of its activities and the conditions in which it operates.
