# Training Course: Strategic Human Resources Management

Training Course code: MA1924 From: 2 - 6 December 2024 Venue: Barcelona (Spain) - Grupotel Gran Via 678 Training Course Fees: 5250 € Euro

## Introduction

Strategic human resources management plays a critical role in organizational success. HR professionals who can develop and implement effective HR strategies that align with organizational goals, attract and retain top talent, promote employee engagement and development, and manage legal and ethical risks, can drive organizational performance and competitive advantage. This advanced training program is designed to provide participants with an in-depth understanding of strategic HR management and equip them with the skills and knowledge to design, implement, and evaluate HR initiatives that drive organizational success.

## Objectives

By the end of this training program, participants will be able to:

- Understand the key concepts and principles of strategic human resources management
- Align HR strategy with organizational goals and develop an HR dashboard to measure and monitor HR performance
- Develop effective recruitment, selection, retention, and development strategies
- Implement performance management and employee engagement best practices
- Design and evaluate total rewards programs
- Utilize HR analytics and data-driven decision-making techniques
- Develop effective talent management and succession planning strategies
- Build and sustain a positive organizational culture and effectively manage change
- Understand the legal and ethical framework of HR management and manage legal and ethical risks
- Promote diversity, equity, and inclusion in the workplace
- Develop project management skills for HR initiatives
- Effectively lead and communicate HR strategy and initiatives
- Apply learned concepts and best practices to real-world scenarios

## Methodologies

This training program will use a variety of methodologies to provide a rich and engaging learning experience, including:

- Lectures and presentations by subject matter experts
- Case studies and real-world scenarios for group discussion and analysis
- Interactive exercises and role-playing activities
- Self-assessment tools and quizzes
- Peer feedback and coaching
- Action planning and implementation support

## Target Audience

This training program is designed for HR professionals, managers, and executives who are responsible for developing and implementing HR strategies and initiatives that align with organizational goals and drive organizational success. The target audience includes:

- HR directors and managers
- Talent acquisition and retention managers
- Learning and development managers
- Compensation and benefits managers
- Employee engagement and performance management managers
- Diversity and inclusion managers
- Organizational development and change management professionals
- Executives and senior leaders who oversee HR functions or have a strategic HR role
