Training Course:
Data Privacy and Compliance

2 - 6 December 2024
London (UK)
Landmark Office Space - Oxford Street

Training Course:
Data Privacy and Compliance

Training Course code: IT235041 From: 2 - 6 December 2024 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5775 Euro

Introduction:

In today's digital age, data privacy has become a critical issue. As the amount of data collected and stored continues to grow, so does the risk of data breaches and unauthorized access to sensitive information. Therefore, data privacy and compliance are essential aspects of any organization that deals with data. This training program aims to provide participants with a comprehensive understanding of data privacy and compliance, including key concepts, best practices, and legal requirements.

Objectives:

- Understand the importance of data privacy and compliance
- Understand the regulatory framework governing data privacy
- Learn best practices for protecting data privacy
- Understand the role of stakeholders in data privacy and compliance
- Develop a plan for implementing data privacy and compliance in your organization

Target Audience:

This training program is suitable for professionals involved in data management, data security, compliance, and privacy. It is also suitable for IT professionals, legal professionals, and anyone interested in learning about data privacy and compliance.

Outlines:

Day 1:

Introduction to Data Privacy and Compliance

- Understanding the importance of data privacy and compliance
- Introduction to relevant laws and regulations
- The impact of data breaches on businesses and individuals

Day 2:

Legal Framework for Data Privacy

- Overview of global data privacy regulations e.g., GDPR, CCPA
- Understanding the key concepts of data privacy laws
- Principles of data protection and privacy

Day 3:

Best Practices for Protecting Data Privacy

- Developing a data privacy program
- Assessing and mitigating risks to data privacy
- Implementing privacy by design principles

Day 4:

Stakeholders in Data Privacy and Compliance

- Understanding the role of data controllers and processors
- Working with data protection officers
- Educating employees on data privacy and compliance

Day 5:

Implementing Data Privacy and Compliance in Your Organization

- Developing a data privacy policy
- Conducting privacy impact assessments
- Creating a data breach response plan
- Establishing a culture of privacy in your organization
