Training Course:
Complete Windows Server 2016 Administration
Course Level I

27 - 31 May 2024
Accra (Ghana)

Training Course:
Complete Windows Server 2016 Administration Course Level I

Training Course code: IT234657 From: 27 - 31 May 2024 Venue: Accra (Ghana) - Training Course Fees: 6545 Euro

Introduction

Windows is one of the basic operating systems that every person should know if they want to get into IT. Whether you are just starting your career or moving up in your existing IT field, you always have to start with Windows and this course will teach you everything you need to know about Windows 2016 administration

In this course you will learn Windows 2016 installation, configuration, administration, troubleshooting, command line, OS tools, and much more... I have also included a Resume and Interview workshop that will definitely help you get your dream IT job.

In addition to the lectures, there will be quizzes, homework, and hand-out material just like a live classroom training

I have been teaching this exact course in a classroom environment in New York City. Please note 80% of my students who took this course got the job in Windows within months. Imagine those who take my course only to level up their career, how productive this training can be for them
