Training Course: Microsoft Server Az900 Schedule with Pearson VUE

Training Course code: IT234960 From: 8 - 12 September 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 3850 € Euro

Introduction:

This training program is designed for individuals who want to prepare for the Microsoft Azure Fundamentals AZ-900 certification exam. The program is focused on providing an in-depth understanding of the key concepts and services in Microsoft Azure. Participants will learn about cloud computing, the benefits of using Microsoft Azure, and the core Azure services, such as virtual machines, storage, and networking. By the end of the program, participants should have a solid understanding of the Azure platform and be prepared to take the AZ-900 certification exam.

Objectives:

- Understand the key concepts of cloud computing
- Learn about the benefits of using Microsoft Azure
- Gain a comprehensive understanding of the core Azure services, including virtual machines, storage, and networking
- Prepare for the Microsoft Azure Fundamentals AZ-900 certification exam

Target Audience:

This training program is suitable for:

- individuals who are new to cloud computing and Microsoft Azure
- IT professionals
- developers
- anyone looking to expand their knowledge in this area.
