Training Course: Public Private Partnership Management

Training Course code: MA235264 From: 9 - 13 December 2024 Venue: Tbilisi (Georgia) - Training Course Fees: 5250 € Euro

Introduction:

Welcome to the Public-Private Partnership Management training program, designed and curated by Global Horizon Training Center. As a leading institution committed to providing high-quality professional development, this program aims to equip participants with the essential knowledge and skills to effectively manage Public Private Partnerships PPPs.

Objectives:

- 1. Comprehensive Understanding:** Provide participants with a thorough understanding of the concept of Public Private Partnerships, including their benefits, challenges, and key principles.
- 2. Legal and Regulatory Framework:** Familiarize participants with the legal and regulatory frameworks governing PPPs, ensuring compliance and risk management.
- 3. Project Identification and Feasibility:** Equip participants with the skills to identify suitable projects for PPPs, conduct feasibility studies, and assess the viability of potential collaborations.
- 4. Negotiation and Contracting:** Develop negotiation and contracting skills to facilitate successful PPP agreements, emphasizing fair and mutually beneficial terms.
- 5. Risk Management:** Provide strategies and tools for effective risk identification, assessment, and mitigation in PPP projects.
- 6. Financial Management:** Understand the financial intricacies of PPPs, including funding mechanisms, budgeting, and financial modeling.
- 7. Stakeholder Engagement:** Foster effective communication and collaboration among stakeholders, ensuring the success and sustainability of PPP initiatives.
- 8. Monitoring and Evaluation:** Introduce monitoring and evaluation frameworks to assess the performance and impact of PPP projects over time.

Target Audience:

This program is designed for professionals and decision-makers involved in public administration, project management, finance, and legal affairs. It is suitable for government officials, private sector executives, and individuals from non-governmental organizations who aim to enhance their expertise in PPP management.
