*Dubai (UAE)*

*Residence Inn by Marriott Sheikh Zayed Road, Dubai*

## Training Course: Oracle Learning Cloud

Training Course code: MA235037 From: 9 - 13 June 2024 Venue: Dubai (UAE) - Residence Inn by Marriott Sheikh Zayed Road, Dubai Training Course Fees: 4150 € Euro

### Introduction:

Oracle Learning Cloud is a cloud-based learning management system designed to help organizations manage their employee training and development programs. It provides a comprehensive set of tools for creating, delivering, and tracking learning content, as well as for analyzing the effectiveness of training programs.

### Objectives:

The objectives of the Oracle Learning Cloud training program are to help participants:

- Understand the key features and benefits of Oracle Learning Cloud
- Learn how to create and manage learning content
- Understand how to deliver learning content to employees
- Learn how to track and measure the effectiveness of training programs
- Learn best practices for using Oracle Learning Cloud to support employee development

### Target Audience:

This training program is designed for HR managers, training managers, and learning and development professionals who are responsible for designing and managing employee training and development programs. It is also suitable for anyone who wants to learn more about how Oracle Learning Cloud can support employee learning and development.
