Program*

13 - 17 October 2024

Dubai (UAE)

Residence Inn by Marriott Sheikh Zayed Road, Dubai

Training Course: Business Planning & Development and Analysis Program

Training Course code: SC235109 From: 13 - 17 October 2024 Venue: Dubai (UAE) - Residence Inn by Marriott Sheikh Zayed Road, Dubai Training Course Fees: 4565 € Euro

Introduction:

In this comprehensive five-day training program, participants will learn the essential skills and techniques required to develop effective business plans and perform in-depth analysis for strategic decision-making. The training will combine theoretical knowledge with practical exercises to ensure participants gain hands-on experience in crafting business plans and evaluating business opportunities.

Objectives:

By the end of this training program, participants will be able to:

- Understand the importance of business planning and analysis in organizational success.
- Develop a well-structured and comprehensive business plan.
- Conduct market research and industry analysis to identify opportunities and threats.
- Apply financial analysis techniques to evaluate the financial feasibility of business ventures.
- Analyze the competitive landscape and position their business for success.
- Create implementation strategies and action plans to achieve business goals.
- Present business plans professionally to stakeholders.

Target Audience:

This training program is suitable for:

- Entrepreneurs and startup founders seeking to develop strong business plans for their ventures.
- Business managers and executives involved in strategic decision-making.
- Professionals from various industries interested in expanding their understanding of business planning and analysis.
