Conference: Effective Self Management

Conference code: CO8134 From: 3 - 7 June 2024 Venue: London (UK) - Landmark Office Space - Oxford Street
Conference Fees: 5775 £ Euro

Introduction

"Your success is determined by your daily agenda." -John Maxwell

Great achievers have always performed well by managing themselves and their abilities. Self-management is important for individuals to perform effectively in both large and small organizations where they are called to perform various duties. Self-management encourages individuals to set their own goals, monitor their behavior in achieving those goals, and reward themselves upon their success in achieving those goals. Self-management is the building block for the effective management of other people, groups, and organizations.

The purpose of this conference is to:

- Encourage individuals at all levels to develop skills and strategies to direct their own behavior toward achieving their goals
- Accept responsibility for the success or failure of tasks that you've undertaken
- Schedule personal time off to create positive deadlines to complete projects
- Identify your priorities in life and balance work and family commitments
- Learn to cope with stress

Conference Objectives of Effective Self Management

- Cultivate the habit of finishing projects
- Develop your self-confidence and self-assurance in your ability to achieve goals
- Develop effective strategies to cope with stress
- Reappraise the current situation and make the necessary adjustments to succeed
- Learn to manage your time better

Conference Delegates of Effective Self Management

The course is designed for anyone who desires to demonstrate self-management in their work and balance their priorities between work and family commitments. The course is appropriate for those who have some management experience and wish to enhance their self-management skills to be successful workers. This course is suitable for:

- Team members
- Supervisors
- Management professionals
- Delegates of any sector of industry and/or business

Conference Process of Effective Self Management

This course is an interactive mixture of lectures, discussions, activities, and practice on developing self-management skills. It provides definitions, examples, discussion, and activities designed to promote skill building with interaction and discussion among participants. Activities and work on examples and role-playing are used to

highlight concepts taught and allow participants to practice skills learned in this course.

Conference Benefits of Effective Self Management

How will this seminar benefit my self-management skills?
