Training Course: Leading Teams for Emerging Leaders

Training Course code: LS235015 From: 29 December 2024 - 2 January 2025 Venue: Amman (Jordan) - Chemisty Training Course Fees: 3250 € Euro

Introduction:

Leading Teams for Emerging Leaders is a comprehensive training program designed to equip emerging leaders with the skills and knowledge required to lead and manage teams effectively. The program is designed to help individuals develop the mindset and skillset needed to lead high-performing teams that can achieve organizational goals.

Objectives:

The objectives of this training program are to:

- Equip emerging leaders with the skills and knowledge needed to lead and manage teams effectively
- Help participants develop the mindset and skillset required to build and lead high-performing teams
- Provide participants with an understanding of the key principles of effective team management
- Enhance participants' ability to communicate effectively, resolve conflicts, and manage team dynamics
- Help participants build their leadership and management skills to prepare them for future leadership roles.

Target Audience:

This training program is designed for emerging leaders who are looking to develop their leadership and management skills. It is ideal for supervisors, team leaders, and managers who are new to leadership roles or have limited experience in leading teams.
