Training Course: BRM Pricing Foundation 7.5 with Pricing Design Center

Training Course code: IT234903 From: 10 - 14 June 2024 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5775 £ Euro

Introduction

This BRM Pricing Foundation 7.5 with Pricing Design Center training will help you develop an in-depth understanding of how to build price plans using Oracle Communications Pricing Design Center. Work with expert Oracle University instructors.

Participants in this training program will learn to:

- Describe the pricing model and rating concepts.
- Design price plans using the Pricing Design Center.
- Test price plans prior to implementation.
- Price planning and design with the Oracle Communications Pricing Design Center.

Personal Benefits

By investing in this course, you'll get the chance to explore pricing concepts, including building products with a tiered rating and creating bundles with product dependencies. You'll also walk away with the knowledge and skills to implement different types of discounts in pricing. During the hands-on lab exercises, you'll build and test several different types of price plans.

Target Audience

This course is intended for:

- Analyst
- Implementer
