Training Course Fees: 9240 € Euro

Introduction

Welcome to the SAP Human Capital Management HCM Training Program! In today's dynamic business environment, effectively managing your workforce is crucial for success. SAP HCM is a powerful tool that empowers organizations to streamline HR processes, enhance employee engagement, and optimize talent management. This 10-day training program is designed to equip participants with the knowledge and skills needed to harness the full potential of SAP HCM. Whether you are an HR professional, system administrator, or business leader, this program will enable you to leverage SAP HCM to enhance your organization's HR operations.

Objectives

By the end of this 10-day SAP HCM training program, participants will be able to:

- Understand SAP HCM Fundamentals: Gain a solid understanding of SAP HCM's key concepts, terminology, and navigation.
- Effectively Manage Organizational Structures: Learn how to create and manage organizational units and hierarchies to streamline reporting structures.
- Manage Personnel Data: Master personnel administration tasks, including hiring, termination, and data maintenance.
- Optimize Time Management: Efficiently handle time recording, work schedules, and attendance management.
- Process Payroll: Gain the skills needed to configure payroll schemas, run simulations, and manage payroll processing.
- Enhance Talent Management: Explore talent and succession planning, performance management, and learning initiatives within SAP HCM.
- Enable Self-Service and Workflow: Configure Employee Self-Service ESS and Manager Self-Service MSS functionalities, including workflow and approvals.
- Leverage Reporting and Analytics: Generate meaningful reports and use analytics to support data-driven HR decisions.
- Integrate SAP HCM: Understand how SAP HCM integrates with other modules and systems for seamless data flow.
- Ensure System Administration and Security: Manage user authorizations, system administration tasks, and data privacy and compliance.

Target Audience

This SAP HCM training program is ideal for individuals and professionals in various roles, including but not limited to:

- HR Managers and Professionals
- System Administrators
- Business Analysts
- IT Professionals working on SAP HCM implementation.
- Managers and Leaders responsible for HR processes
- Anyone interested in understanding SAP HCM for HR and talent management.
