Training Course: Portfolio Project Management Professional

Training Course code: MA235076 From: 7 - 11 October 2024 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5250 € Euro

Introduction:

Portfolio Project Management is a critical discipline that enables organizations to efficiently manage multiple projects and align them with their strategic goals. It involves the management of portfolios, programs, and projects to achieve specific business objectives. A Portfolio Project Manager is responsible for overseeing the selection, prioritization, and management of project portfolios to ensure optimal resource utilization and maximum return on investment.

Objectives:

- Understand the fundamentals of portfolio project management
- Learn how to align portfolio management with organizational goals
- Understand the processes and techniques involved in portfolio management
- Learn how to identify and manage risks in portfolio management
- Understand the importance of communication and stakeholder management in portfolio management

Target Audience:

- Project managers seeking to advance their skills in portfolio management
- Senior managers responsible for overseeing multiple projects
- Professionals responsible for managing resources across multiple projects
