London (UK)
Landmark Office Space - Oxford Street

Training Course:
SAP software

Training Course code: IT1933 From: 26 - 30 August 2024 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5775 Euro

Introduction:

Welcome to the SAP training program offered by Global Horizon Training Center. SAP Systems, Applications, and Products is a software application used by organizations to manage their business operations and customer relations. The SAP training program is designed to help individuals develop the necessary skills to become proficient in using SAP software.

Objectives:

The objectives of the SAP training program are as follows:

- To introduce participants to the SAP software and its functionalities.

- To provide participants with hands-on training in using SAP software.

- To teach participants how to customize SAP software to meet their organization's needs.

- To help participants understand how SAP software can improve their organization's efficiency and productivity.

- To prepare participants for SAP certification exams.

Target Audience:

The SAP training program is suitable for anyone who wants to develop their skills in using SAP software. It is particularly beneficial for:

- Business professionals who want to improve their organization's productivity and efficiency.

- IT professionals who want to expand their skill set and career opportunities.

- Individuals who want to enhance their resumes and job prospects.
