# Training Course: Advanced Procurement Skills

Training Course code: PC4108 From: 5 - 16 May 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 5600 🛛 Euro

### Introduction

This course is aimed at improving the skills of the Procurement Professional and Senior Buyers in organizations. Advanced negotiation and procurement techniques, business continuity and contingency planning for procurement are discussed and practiced in simulations. The course examines the strategic importance of procurement departments by using concepts and ideas in order to maximize the procurement departments effectiveness and thereby reducing costs throughout the supply chain.

The program is an opportunity to develop leadership skills that will assist in working better together, learning to handle conflict situations, implementing time management techniques and understanding the need to have an attitude that is accepting of the change. This program is furthermore designed to provide Purchasing Professionals with not only the best practices generally viewed as leading to World-Class performance in procurement activities, but also to provide practical tools and guidance. It is an essential course for the Purchasing Manager and Senior Buyer, and delegates will return to their organization with actual realistic plans on how to make considerable cost savings. Senior managers will also benefit from attending this course as they will be able to make savings in their organizations by ensuring that the tools are implemented.
