## Training Course: Mastering people development

Training Course code: MA1935 From: 9 - 13 September 2024 Venue: London (UK) - Landmark Office Space  
- Oxford Street Training Course Fees: 5250 € Euro

### Introduction:

Global Horizon Training Center is proud to present "Mastering People Development," a comprehensive training program designed to equip HR managers, team leaders, supervisors, and anyone else responsible for developing and managing people within their organization with the skills and knowledge necessary to create a workforce that is efficient, productive, and motivated. Our program focuses on the development and implementation of effective human resource management strategies, talent identification and development, employee engagement and motivation, continuous learning and development, building effective teams, communication and collaboration, performance management, and managing change and transformation. Through this program, participants will gain practical insights and best practices to foster a culture of continuous learning and development, enhance employee engagement and motivation, and lead organizational transformation.

### Objectives:

The program aims to equip participants with the skills and knowledge necessary to:

- Develop and implement effective human resource management strategies
- Identify and nurture talent within an organization
- Enhance employee engagement and motivation
- Foster a culture of continuous learning and development
- Build effective teams and manage team dynamics
- Improve communication and collaboration among team members
- Implement performance management systems and processes
- Manage change and lead organizational transformation

### Target Audience:

This program is designed for HR managers, team leaders, supervisors, and anyone else responsible for developing and managing people within their organization.
