Supply Chain Management - Level 1*

24 - 28 November 2024

Cairo (Egypt)

Holiday Inn & Suites Cairo Maadi, an IHG Hotel

Training Course: Supply Chain Management - Level 1

Training Course code: PU12363 From: 24 - 28 November 2024 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3250 € Euro

Introduction

This training course in Supply Chain Management has been designed to cover the essential aspects of Procurement operations management and Supply Chain supervision. The training enables delegates to appreciate the key features, both operational and financial of effective supply chains and apply global best practice strategies within their own environment.

By completing this training course, delegates will be able to develop cost and operational efficiency initiatives for each component of the supply chain, whilst effectively managing inventory and warehouse efficiency strategies. In addition, the training covers quality, environmental and safety standards implementation tactics, which will enable participants to make informed financial and operational decisions regarding supply chain operations. At the end of the course, delegates will have the premises to equip their organizations with global best practice strategies in supply chain management and effectively contribute to the profitability of their organizations.

Course Objectives:

- Understanding the supply chain concept
- Learning how to increase the amount of information and at the same time reduce inventory costs and run operations
- Understanding a comprehensive concept for logistics
- Learning how to reduce the complexity of the business as far as possible
- Becoming truly responsive to your customers' real needs
- Determine your exact material status and inventory dollar burden
- Learning how to increase the amount of information and at the same time reduce inventory costs and run operations
