## Training Course: Fire and Life Safety

Training Course code: HE235180 From: 7 - 11 October 2024 Venue: London (UK) - Landmark Office Space - Oxford Street  
Training Course Fees: 5775 € Euro

### Introduction:

Welcome to the Fire and Life Safety training program, designed and delivered by Global Horizon Training Center. This comprehensive program aims to equip participants with the knowledge and skills necessary to prevent, respond to, and mitigate fire-related emergencies in both residential and commercial settings.

### Objectives:

Upon completion of this training program, participants will:

- Understand the fundamental principles of fire and life safety.
- Identify fire hazards and implement preventive measures.
- Know how to respond effectively during a fire emergency.
- Learn to use fire safety equipment such as fire extinguishers and alarms.
- Develop an emergency evacuation plan.
- Comprehend the importance of fire safety codes and regulations.
- Be able to conduct fire drills and inspections.

### Target Audience:

This training program is designed for a wide range of professionals and individuals, including but not limited to:

- Facility Managers
- Safety Officers
- Building Owners
- Firefighters
- Health and Safety Personnel
