## Training Course: Real Estate Development, Investment & Strategy

Training Course code: SC1988 From: 29 September - 3 October 2024 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel Training Course Fees: 3850 € Euro

### Introduction:

Welcome to the Real Estate Development, Investment & Strategy training program, brought to you by Global Horizon Training Center. This comprehensive program is designed to provide participants with a deep understanding of the real estate industry, focusing on development, investment, and strategic considerations. Whether you are a real estate professional, investor, project manager, financial analyst, or government official involved in real estate development, this program aims to equip you with the knowledge and skills necessary to navigate the dynamic real estate market successfully. Through a series of interactive modules, we will explore market analysis, investment analysis, financing options, risk management, legal considerations, and strategic planning in the real estate sector. Join us as we delve into the intricacies of real estate development, investment, and strategy, and unlock opportunities for growth and success in this dynamic industry:

- Overview of the real estate industry
- Importance of real estate development, investment, and strategy
- Current trends and challenges in the real estate market
- Introduction to key concepts and terminology

### Objectives:

- Provide participants with a comprehensive understanding of real estate development, investment, and strategy
- Equip participants with the necessary skills to analyze real estate opportunities and make informed investment decisions
- Teach participants how to develop effective strategies for real estate projects
- Enhance participants' knowledge of market analysis, financing options, risk management, and legal considerations in real estate

### Target Audience:

- Real estate professionals and investors
- Project managers and developers

- Financial analysts and investment managers
- Architects and urban planners
- Government officials involved in real estate development
