Training Course: Board Governance

Training Course code: MA235407 From: 11 - 15 August 2024 Venue: Cairo (Egypt) - Holiday Inn & Suites Cairo Maadi, an IHG Hotel Training Course Fees: 3250 € Euro

Introduction:

Successful companies are characterized by an effective governance system that ensures accountability, transparency, and sustainability. This system consists of the company's organizational structure, board of directors, executive management, internal committees, company policies, and procedures. The board of directors is the backbone of this system, playing a vital role in setting the vision and strategy, making critical decisions that affect the company's future.

For this reason, board members must have strong leadership, analysis, and decision-making skills, as well as be well-versed in the latest international corporate governance practices. This training course aims to provide participants with the knowledge and tools they need to improve their skills and increase their ability to contribute to the company's management process and protect the interests of shareholders and investors.
