Residence Inn by Marriott Sheikh Zayed Road, Dubai

Training Course: Advanced Techniques in Capability Building and Talent Development

Training Course code: SC235573 From: 13 - 17 October 2024 Venue: Dubai (UAE) - Residence Inn by Marriott Sheikh Zayed Road, Dubai Training Course Fees: 4565 € Euro

Introduction

This program, designed by Global Horizon Training Center, focuses on equipping leaders with advanced techniques in capability building and talent development. As organizations strive for growth, the ability to foster and develop internal talent is paramount for sustaining a competitive edge. This course emphasizes the critical role of leadership in nurturing talent, building capabilities, and creating a culture of continuous learning. Participants will gain practical tools and strategies to unlock the potential of their workforce and ensure their organization's long-term success.

Objectives

By the end of this program, participants will:

- Understand key frameworks for capability building within an organization.
- Learn advanced methods for identifying and nurturing high-potential employees.
- Develop strategies for aligning talent development with organizational goals.
- Explore best practices for creating a culture of continuous learning and innovation.
- Gain insights into performance management techniques that foster growth.
- Learn how to build leadership pipelines and succession plans.

Course Methodology

This course utilizes a mix of learning approaches to ensure engagement and practical application:

- Interactive presentations and expert-led discussions
- Group work and real-time problem-solving
- Case studies from leading organizations in talent development
- Talent management simulations
- Peer-to-peer learning and feedback sessions
- Practical application workshops focused on real-world challenges

Organizational Impact

Organizations will benefit through:

- Enhanced leadership capabilities focused on developing internal talent.
- Improved alignment between capability-building initiatives and business strategies.
- A stronger talent pipeline that supports future growth and innovation.
- Increased employee engagement and retention through targeted development efforts.
- Greater organizational adaptability and resilience through continuous learning.

Target Audience

This program is ideal for:

- Senior executives and leaders responsible for talent and capability development.
- Human resource professionals tasked with designing and implementing talent strategies.
- Department heads and managers looking to build high-performing teams.
- Learning and development professionals aiming to refine their talent management approach.
