Training Course: The Strategic Leadership of Senior Executives

Training Course code: LS235182 From: 2 - 6 February 2025 Venue: Sharm El-Sheikh (Egypt) - Sheraton Sharm Hotel
Training Course Fees: 3500 € Euro

Introduction

The Executive Leadership Program relies on a highly interactive methodology. It also extensively addresses executive issues, enabling participants to apply strategic thinking, make decisions, and engage in analytical thinking.

The training program aims to equip business leaders with the competencies they need to confront contemporary and accelerating challenges in the global economy. This program stands out for its unique design and methodology, taking leadership to a new level of thinking and influence. Additionally, the program focuses on new forms of comprehensive corporate leadership that add value across all fields.

Objectives

By the end of the Executive Leadership Program, participants will be able to:

- Assess personal leadership capabilities and compare them with globally recognized leaders.
- Influence the culture within their organization by increasing employee engagement and participation.
- Create value by applying essential executive skills across a range of responsibilities.
- Evaluate organizational disruptions and workplace dynamics, and leverage opportunities to maintain a competitive advantage.
- Develop a personal executive agenda that drives outstanding performance at both the personal and organizational levels.
