Training Course: Environmental Management Certificate

Training Course code: HE7013 From: 30 June - 4 July 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5775 € Euro

Introduction

No business can sustain a policy that is unfriendly to either the environment or the safety of people or the safety of society. There is ever-increasing pressures from society and legislation for businesses to maintain production processes that are environmentally friendly. This is a course certified by the International Institute of Environmental Health CIEH and gives a sound qualification for all managers in environmental management.

Professionals must be able to appreciate the environmental effects of production and how these issues relate to climate change, biodiversity, and environmental pollution. The course covers such areas and the relationship between environmental protection and production efficiency, environmental management techniques, legislation and emergency response.

Delegates attending the course will learn about:

- Environmental legislation
- Environmental management
- Waste minimization and pollution prevention
- The types of emergencies that have effects on the environment
- How to plan an environmental management program

Course Objectives of Environmental Management Certificate

- To understand the business benefits of sound environmental management
- To appreciate the environmental management systems
- To know how legislation and international conventions affect businesses
- Become knowledgeable of environmental terms
- Understand the process of waste minimization

Course Process of Environmental Management Certificate

This is an intensive five-day seminar. It is an active program that requires group exercises and discussions with a mixture of speaker input to facilitated discussions and an emphasis on delegate involvement at all times. Optional but necessary to gain certification by CIEH is the passing of an exam on the 6th day.

Course Benefits of Environmental Management Certificate

Delegates attending the course will gain:
