## Training Course: CCTV Systems

Training Course code: MI234693 From: 9 - 13 March 2025 Venue: Manama (Bahrain) - Fraser Suites Training Course  
Fees: 4675 € Euro

### Introduction

With recent technological advances ensuring that CCTV continues to play a major role worldwide in helping to combat criminal and terrorist activity, it is not surprising that our CCTV training courses continue to be extremely popular. Our combination of classroom theory and "hands-on" practical training courses will provide you with a comprehensive understanding of the very latest advancements in CCTV technology. Our training courses cover the entire CCTV system planning and design process as well as the specification, installation, set up and maintenance of key system components such as cameras, lenses, DVR, NVRs and cabling etc.

### Course Objectives

Please note that for most CCTV Operator jobs, you will be required to have a Door Supervisor/Manned Guarding license as well, as the role often includes security officer duties. The course covers:

- Working the Private Security Industry
