

*Training Course:  
COSO Enterprise Risk Management*

*20 - 24 January 2025  
Prague (Czech)*

## Training Course: COSO Enterprise Risk Management

Training Course code: MA235375 From: 20 - 24 January 2025 Venue: Prague(Czech) - Training Course Fees: 5250 € Euro

### Introduction

In today's dynamic business environment, organizations face a multitude of risks that can impact their ability to achieve strategic objectives and deliver value to stakeholders. The COSO Enterprise Risk Management ERM Framework provides a comprehensive approach to identifying, assessing, responding to, and monitoring risks across all levels of an organization. This 5-day training program is designed to equip participants with the knowledge and skills necessary to understand and implement the COSO ERM Framework effectively.

### Objectives

- Understand the Fundamentals of ERM: Gain a solid understanding of the principles and components of the COSO ERM Framework.
- Apply ERM Principles in Practice: Learn practical techniques for identifying, assessing, and responding to risks within an organization.
- Enhance Risk Management Skills: Develop the skills necessary to implement effective risk management strategies and controls.
- Gain Insights from Real-world Examples: Explore case studies and best practices to understand how ERM is applied in various industries and contexts.
- Prepare for ERM Implementation: Acquire the knowledge and tools needed to initiate or improve ERM practices within your organization.

### Target Audience

This training program is ideal for professionals across various functions and levels within organizations, including:

- Executives and Senior Management
- Risk Managers and Compliance Officers
- Internal Auditors
- Finance and Accounting Professionals
- Project Managers
