Euro

Introduction:

Welcome to Global Horizon Training Center's "STRATEGIC Planning Contracts and Procurement" program. This comprehensive training program is designed to equip professionals with the knowledge and skills necessary to excel in strategic planning, contract management, and procurement in today's dynamic business environment.

Objectives:

Upon completion of this program, participants will:

- Understand the fundamentals of strategic planning, contracts, and procurement.
- Develop the ability to align procurement strategies with organizational goals.
- · Enhance negotiation and contract management skills.
- Learn to mitigate risks and maximize value in procurement processes.
- Gain insights into the latest trends and best practices in contract and procurement management.

Methodology:

This program employs a blended learning approach, combining lectures, case studies, group discussions, interactive workshops, and real-world simulations. Participants will have access to course materials, online resources, and expert trainers throughout the program to ensure a comprehensive learning experience.

Target Audience:

This program is ideal for professionals involved in procurement, contract management, and strategic planning, including:
