Training Course: Conducting Workplace Investigations

Training Course code: HR234807 From: 16 - 20 June 2025 Venue: London (UK) - Landmark Office Space - Oxford Street
Training Course Fees: 5250 € Euro

Introduction

Workplace Investigations provide the basis for organizational policies, procedures, and work rules. This unique, intensive learning program, taught by industry experts, allows you to explore SHRM's best practice framework for leading independent workplace investigations. Using a real-world case study and in-depth legal scenarios, this learning experience provides you with the opportunity to test your investigative skills in a safe and supportive learning environment of your peers from a wide network of professions. You will leave with proven, practical tools and techniques as you prepare to conduct your own workplace investigations.

Training Program Objectives:

At the end of the training program, participants will be able to:

- Describe and apply the 7-step framework for conducting effective workplace investigations in both in person and remotely.
- Identify the competencies associated with an investigator.
- Define the role of an investigator.
- List the pros and cons of formal investigations.
- Name the goals of the workplace investigation process.

Personal Benefits:

- Organizing and conducting an efficient and effective investigation.
- Getting the most and best information out of the witnesses.
- Collecting, using, and assessing evidence.
- Writing the report and concluding the investigation.

Target Audience

The course will be crucial for all:

- HR Managers and Professionals.
- Managing Directors who would like to familiarize themselves with the process.
- Employees who would like to hone their investigation skills.
