Training Course: Think Like a Chess Master: Developing a Strategic Mindset

Training Course code: LS235354 From: 28 April - 2 May 2025 Venue: Amsterdam (Netherlands) - Grand Hotel Amrâth
Amsterdam Training Course Fees: 5250 € Euro

Introduction:

In the ever-changing world of business, a strategic mind is key to success. This program equips you with the tools and frameworks to think several moves ahead, anticipate challenges, and make informed decisions that propel your career forward. Learn from the world of chess, a game built on strategic thinking, and apply these principles to achieve your goals.

Target Audience:

This program is designed for professionals at all levels who want to:

- Enhance their critical thinking and problem-solving skills.
- Develop long-term plans and strategies for achieving objectives.
- Improve their ability to analyze situations and make well-informed decisions.
- Think creatively and adapt to changing circumstances.

Objectives:

By the end of this program, participants will be able to:

- Define a strategic mindset and its importance in professional success.
- Identify key strategic frameworks and apply them to real-world scenarios.
- Analyze competitive landscapes and anticipate potential challenges.
- Develop contingency plans and make informed decisions under pressure.
- Foster strategic thinking within their teams.
